# DAILY DEAL MODEL

## Arrange a DAILY DEAL

## HOW IT WORKS

- A Deal is a negotiated contract between YOU, the “Independent Marketing Representative” and the merchant.
- For example, you enter a local restaurant and arrange a deal for a \$60 food voucher to be offered for \$30.
- You complete and sign the contract with the merchant agreeing to this deal\*.
- Submit the deal to be approved and scheduled.
- Collect Your Check!

**There is NO CAP on Daily Deals!**

\* This merchant (and all their future Deals) becomes yours for life as long as you remain an Active IMR with AdJuice.

## DAILY DEAL

Earn a **15% Commission** on Every Deal

# RANKS

By advancing your way through the ranks you are eligible to make an unlimited monthly income AND earn a larger piece of the quarterly profit sharing pool. AdJuice takes 5% of the gross profit from all daily deals and applies it to a profit sharing pool.

Example: If the profit sharing pool for the quarter was \$1,000,000 and you held a rank of 5-Star and shared that pool with 2 other Independent Marketing Representatives at a 5-Star rank, you will each receive a check for \$100,000.

**\* NO Cap on Daily Deals OR Merchant Referral Model!**
